## FINANCIAL LITERACY TIP OF THE MONTH JULY 2014

Use your time off this summer to LEARN!

School is out and there is no better way to spend your extra time than to review your financial plan with one of our financial specialists.

Why now?

Why not now? There is no set time in your life that you should increase your financial knowledge. But the sooner you do it the better. Whether you want to review your retirement plan, start an RESP for your children or grandchildren, or reduce the interest on your debts, the summer is a great time to start. Book a meeting with one of our financial specialists and see how easy it can be to put a financial plan in action.

Why Educators Financial Group?

Simply stated, we understand you. Our group of financial specialists are the best at providing you with the knowledge and advice that you need. We understand your needs as an educator and have built our products and services to cater to those specific needs. Our great advice and low lending rates are exclusive for you and your colleagues. We really are the educating community's financial specialist!

How?

It's easy. Just give us a call at 1.800.263.9451 or visit us at [www.educatorsfinancialgroup.ca/contact-us](http://www.educatorsfinancialgroup.ca/contact-us) and let us handle the rest.

Educators Financial Group has been offering financial planning plus a wide selection of investing and lending products and services exclusively to teachers, educational workers, and their families since 1975. We were created by OSSTF/FEESO and are still OSSTF/FEESO-owned to this day. This history helps us understand your needs better than any other financial institution. To learn more about how we can help you reach your financial goals, book a one-on-one consultation today.
