

OSSTF D 35

BROCK UNIVERSITY SUPPORT STAFF

In partnership with CUPE 4207 and CUPE 1295

Invite you to attend our lunch and learn event regarding the importance of getting involved in the Municipal and Trustee Elections in Niagara.

The austerity agenda is alive and well in the Niagara Region and Brock University has become a prime example of the proliferation of that movement. Good paying Union jobs are becoming increasingly scarce at the University and many of us who provide the vital day to day services at this University are being overloaded with work. It's time to exercise our voices and be heard on Election Day in Niagara and elect progressive candidates who can assist working families and our communities.

Please join representatives from CUPE and OSSTF who will give a brief panel presentation on the need to get involved, followed by a Meet and Greet with local candidates who have been endorsed by the Niagara Regional Labour Council. A light lunch with refreshments will be provided.
