District 35, Brock University Support Staff Possible Strike

To: Presidents and All Members

From: Paul Elliott, President

For Action

OSSTF/FEESO District 35, Brock University Support Staff has set a deadline for a full withdrawal of service on Monday, August 10, should they be unable to reach a tentative agreement with the employer before that date. The sides will be bargaining on August 9 in an effort to avert a strike.

Should a strike commence, picket lines will be set up at the St. David's Road and Norman Road entrances of the main Brock University campus from 7:00 am to 4:30 pm. Please feel welcome to walk with and support our members on the line. Check the bargaining unit's website at <http://www.d35-brock.osstf.ca> to see if a tentative agreement has been reached.

Messages of support can be sent to Bargaining Unit President Norm Westbury at norm.westbury@gmail.com. If the strike begins, strike donations may be mailed to the OSSTF/FEESO Provincial Office at 60 Mobile Drive to the attention of Harvey Bischof as the bargaining unit office will not be accessible during a strike.
