March 28, 2016

Notice of Annual General Meeting

OSSTF D 35 Brock University Support Staff

To all members,

Please be advised that our 2016 Annual General Meeting has been scheduled for **WEDNESDAY, MAY 4, 2016 @ 12:10pm in the Pond Inlet**.

In order to reduce barriers to attendance, please be advised that the University has previously supported an extended meal break for those members who are scheduled to work during the AGM. It is recognized that the time will have to be made up in consultation with your Supervisor. Also, the Union can assist members financially if family care is required to attend the meeting. Please speak with Norm Westbury, President, in order to assist with family care arrangements.

If there any questions about elections before the AGM, please contact one of the Elections committee members, (Beulah Alexander, Elna Mayberry or Virginia Wagg). At the AGM, please seek the assistance of the Chair, Jessica Burnie and/or Steering member Keith Goulet. A package of information will be sent to members electronically by April 27th that will include, among other things, a draft agenda, reports, and election procedures. If you have any questions about the material, please contact Norm Westbury at norm.westbury@gmail.com.
